**Approved Charges for Medical Records**  
**January 19, 2007**

Pursuant to the authority granted by K.S.A. 65-4971(b), the Secretary of Labor hereby establishes the following fee schedule effective as of January 1, 2007, for production of medical records and/or their reproduction:

Cost of supplies, and labor, a fee not to exceed;           \$16.81

Copies of health records routinely duplicated on  
a standard photocopy machine;                                 \$.56 per page for the first 250  
pages, and \$.39 per page  
thereafter.

Said rates shall remain in force until January 1, 2008, and will be adjusted annually thereafter in accordance with the all-items consumer price index.

January 19, 2007

Date

A handwritten signature in black ink, appearing to read "Jim Garner", written over a horizontal line.

Jim Garner, Secretary  
Kansas Department of Labor
